Congratulations to our Chamber Champions who are making a difference in our community.

Congratulations to The Hope for B.E.S.T. (Be the End to Silent Thoughts), for raising $25,000 for mental health awareness!

The Hope for B.E.S.T. recently held its annual Hope for B.E.S.T. Fest at Avon Middle School, raising an incredible $25,000 to support mental health awareness resources, tools, and programs for students in our local community. This achievement is about so much more than a number—it represents hope, support, and a community coming together to make a difference. The success of this year's event was made possible through the generosity of donors, sponsors, volunteers, partners, guests, and supporters who believe in the organization's mission. Congratulations to The Hope for B.E.S.T. on this wonderful accomplishment and for making a meaningful impact in our community!

Congratulations to Beth Gantz, who was recently recognized as one of six outstanding women who have gone above and beyond to help others, receiving an Exclusively BA Mentorship Award!

Beth, who is with the SBDC at LCCC, was celebrated for the kindness, love, and leadership she demonstrates in both her personal and professional life. As part of the recognition, Beth was invited to the stage to share a little about herself, her experiences, and the importance of mentorship and supporting others.

Congratulations, Beth, on this well-deserved recognition and for the positive impact you continue to make in our community!
